Mr. Bill's Corner

Dear Brothers,

As we begin our new fraternal year it is a time to take stock on where we are as a Council and where do we want to go? We will continue to work to get participation from all of our able Knights in our activities through the year. I hope that all of you reading this will do your part in helping to continue to make this the great Council that it is.

As with a lot of volunteer organizations, you usually have active participation from only 20% of the volunteers. We currently have a core group of about 40-50 Knights that volunteer for more than their fair share. To those Knights, I say Thank You.

For the rest of our Knights, I ask you try to volunteer some time over the next year for a few events. Just promise yourself that you will try to volunteer at least 24 hours in this next fraternal year. It is not asking a lot. If we got all of our Knights to volunteer at least 24 hours a year, we would have every event position filled up and more.

Also, consider inviting a fellow parishioner to join our council. That is the best way to continue to grow our Council. Do you know someone that you could invite to join our Council? If you do, contact Paul Braddock.

Our upcoming events are:

7/23/18	"Never Give Up on Life" Golf Outing
8/20/18	Cooking/Grilling for STPDT Community Dinner
8/25/18	Grilling for St. Patrick's Picnic
9/1/18 – 9/2/18	IDF - Kane County Flea Market
9/14/18 – 9/16/18	IDF - Multiple locations St. Charles & South Elgin
10/6/18 – 10/7/18	IDF - Kane County Flea Market
11/3/18	Pies by the Guys

If you have not been to a Council meeting in a while, please come this Monday (07/09/18) for our July General meeting.

I pray that your 2018 summer and Fourth of July is going great for you and your family.

In closing, I ask that each of you load my contact information into your computer and phone. If you ever need to reach me, here is my information:

Chaplain's Corner

Brothers in Christ,

Continuing in this series on the Eucharist and Holy Mass let's consider the Church's living memory: The Catechism makes interesting use of the idea of memory. From the Last Supper to the early and medieval Church, to the Council of Trent and to today, the Eucharist has remained much the same (n. 1345), and the memory of what Jesus did (above all his death and resurrection) is passed on in a living way from then until now. 'The Holy Spirit is the Church's living memory' (n. 1099); it is because the Spirit is present in the Eucharist as the living memory of the Church that the Eucharist can be a memorial in the full sense of the word. The whole Eucharist is very much the work of the Holy Spirit. In the Liturgy of the Word, the Spirit 'recalls' all that God has done for us, awakening the memory of the Church and inspiring thanksgiving and praise (n. 1103).

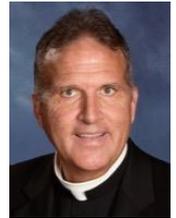

But the liturgy is more than this: because in each celebration there is an outpouring of the Holy Spirit, the saving events we recall are 'actualized', made powerfully present (n. 1104). Through the Eucharist 'The Spirit makes present and communicates the Father's work, fulfilled by the beloved Son' (n. 1155).

People come to Mass seeking meaning for their lives, and a sense of value and worth for themselves. The Eucharist gives new meaning, and value to God's creation and to the people: 'the lives of the faithful, their praise, sufferings, prayer and work, are united with those of Christ and with his total offering, and so acquire a new value' (n. 1368).

In Eucharistic Prayer 2, we ask the Father to make us worthy, but we also thank him 'for counting us worthy to stand in your presence and serve you'. In the early Church, standing was the Christian way to pray. To be allowed to stand in God's presence was a sign that God looked on us as his own sons and daughters. Nothing can affirm our dignity and value more strongly than taking part in the Eucharist and hearing what God says to us about ourselves.

Jesus Lives,

Happy Independence Day! Lest we forget!

With immeasurable courage and unflinching self-sacrifice, countless patriots gave their wealth and their lives to the cause of freedom. As we reflect on the independence of this nation, let us pause to consider the price that was paid for the rights and privileges we enjoy. We might well ask what we can do to better honor those who built this nation. Best wishes for a memorable Independence Day!

.....

Things will be wrapping up soon for the Auxiliary – Chairs of committees will be named, calendar of important events will be filled up quickly, a new and exciting year will commence. We look forward to a renewed partnership with the Knights on all our mutual endeavors.

Quickly coming up – July 23rd - is the 19th Annual Chuck Hollenbach Memorial Golf Outing. We are in need of volunteers to assist with the day’s events. Any time that you can give to help would be much appreciated. **Signup is on the Knights website Activity Signup icon.** Also need assistance in purchasing some “Draw Down” tickets for a chance to win and to provide additional monies to purchase a new ultrasound machine for the Corbella Clinic. All proceeds from this event will benefit the Corbella Clinic. Let’s all get behind this awesome event and show the Knights our stuff!! I have tickets for sale, or you can contact one of the Knights.

Save the Date:

Bingo Night – The Auxiliary will be having a fun night on Friday evening, **September 14** – More information to follow.

Dine-to-Donate – Village Tavern and Grill – Randall Road, South Elgin – **July 19th, August 16, September 20 and October 18** – This is our monthly opportunity to earn money by enjoying a meal – lunch, dinner or both – and receive 20% of the bill to benefit our endeavors. The Coupon that is printed in both Parish bulletins the week before this event, is required in order to process the benefits. Great food, great service, modest prices – enjoy a meal and help us out!

Membership Night – Monday, **October 1, 7:00 PM** – St. John Neumann - We are encouraging the ladies of St. John Neumann to join the Auxiliary and are looking forward to having our monthly meeting here in order to meet these ladies and ladies of St. Patrick who are interested in joining. We urge the Knights to promote their wives, significant others, mothers, sisters or any lady you know to honor us by attending this informative and fun night. We will be providing information and hands-on activities of card making. Will be a lot of fun!

Shred Day – Saturday, **October 20th** – 10 AM to 12 Noon. An opportunity to get rid of all those important papers, documents, legal forms in a very efficient manner. Just pull up your car – we will unload it for you and you can see your things shredded right on the spot – and asking only a donation.

BUNCO Night – Friday, **October 26, 6:30 PM** – at the Living Well in Geneva. October is Breast Cancer Month and we donate all proceeds to Breast Cancer Research through the Living Well. Lots of fun. Come one, come all!

MS Ride – Thank You!

Brother Knights,

Thank you for your support. Our group was able to raise 23,000 the largest so far. It was a great weekend for riding. I brought my son once again and we did 50 miles in 3hrs not bad for no training. Hopefully with your support we can push it a little more next year. Thanks again!

Your contribution will support groundbreaking research and life-changing services for people living with MS. With your help, we're one step closer to a world free of MS.

Your generosity makes a big difference. Together we're changing lives. Thank you so much for helping make a difference.

FOUR THINGS CATHOLIC MEN MUST DO TO DEFEND THE FAITH AND BUILD A CULTURE OF LIFE IN OUR SECULAR SOCIETY

(Excerpt from an article in the June Columbia magazine, written by Peter Wolfgang). The original article can be found at this link. <http://kofc.org/en/columbia/detail/challenge-the-culture.html>

As Catholic men, we know that much of the culture, the media and, at times, the courts and legislatures are set against our most basic values. Simply to express the Church's perspective on the right to life, marriage or religious freedom can bring scorn in public and trouble in the workplace. We strive to bring up our kids in the faith, but they are bombarded by secular messages and surrounded by "nones" who claim no religious allegiance.

Fortunately, we don't need to look far to learn how to respond. We have the example of Venerable Michael McGivney, founder of the Knights of Columbus. Father McGivney and the first members of the Order faced serious challenges to their Catholic faith and family life. Yet from these hardships, they built the greatest Catholic lay organization in the world. By following in their footsteps, we too can use our present difficulties as an opportunity to advance God's kingdom on earth.

1. We must be men of prayer. Always remember that Christ is the vine, and we are the branches (cf. Jn 15:5). Without him, we can do nothing. Whatever good we accomplish is ultimately his work, not ours.

2. We must never lose hope. Withdrawal from the battlefield is not an option for any man bearing the title of "knight." Nor should we ever see our country as hopelessly flawed. A healthy Catholic patriotism that loves both God and country — but God first — is a prerequisite for healing a wounded nation.

3. We must show our friends and neighbors a better way. The family is under attack, but if we can be the husbands and fathers whom God calls us to be — if we are fathers for good — we can help spread that good throughout our realm of influence.

We all know people living in irregular situations and have encountered in others — and sometimes in ourselves — a lack of faith and courage in the face of challenges. Yet, despite our weaknesses, we and our families are called to bear witness to the abundant life that God wills for us all.

4. We must be active and practical. It is the duty of the laity to defend the faith in a secular society and work for the common good. We are guided by the teachings of the Church and blessed by bishops and priests, but we are the foot soldiers who are in contact with the wider world as we seek to evangelize the culture.

Engaging the secular society may mean speaking up at work if our employer asks us to violate our faith by accommodating some fashionable agenda, or speaking out against media campaigns designed to turn children against the faith. It may mean telling your local department store that you will not shop there if they promote or enforce a misguided ideology. It may mean discussing these issues with friends and co-workers, and gently explaining to them why they should join you.

Working for change will mean volunteering for, donating to and supporting organizations that lead these fights in the public square, as well as helping to elect pro-life and pro-family candidates, writing letters to the editor of your local newspaper and generally making your voice heard.

In all our efforts, we ask the intercession of the Blessed Virgin Mary. Great victories for the faith have been won over the centuries under her protection and with her rosary. As we approach Father's Day, let us also call on Father McGivney to help us remain spiritually strong and steadfast fathers. All is not lost if we do not surrender. The cultural battlefield before us is vast, but we are just getting started.

GOLF OUTING - COUNTDOWN TO MONDAY JULY 23RD

Our 19th Annual Chuck Hollenbach **"Never Give Up on Life"** Memorial Golf Outing is fast approaching on Monday July 23rd at Elgin Country Club with a shotgun start at 10:45am. Entry fee of \$175 per golfer includes 18 holes of golf with cart, use of Club facilities including driving range (weather permitting) and locker rooms, continental breakfast, lunch, dinner and 3 drink tickets. As of 7/3/18, 85 golfers are registered. 130 golfers would be a really good number for the outing to do well for the beneficiary of outing profits, the Corbella Clinic. So there is still room for more foursomes but please register now, do not wait until the weekend before the outing. Dinner only is available for \$40. The program at dinner will be a fast-moving presentation focusing on the Knights, our Council, Family, Chuck Hollenbach and Pro-Life, with several speakers including Msgr. Linster. Registration for golf and dinner only can be found on our Council website, www.kofc12497.com.

The outing will feature a raffle with many themed highly valued gift baskets organized by our committee members. Cubs, Sox, Golf, BBQ/Outdoor, Wine, Whiskey and Beer are several of the themes. You, your family and friends will be very impressed with the contents of your winning gift basket(s).

Volunteer slots are still open at registration and at dinner. Lunch and dinner to be provided. Sign-up is also on our Council website, www.kofc12497.com.

Most importantly of all, we rely on the time, talent & treasure of the many volunteers and outing participants, all for the benefit of supporting the pro-life ministry of the Corbella Clinic.

Questions and inquiries about the outing can be directed to Fred Karl, cell: 847-373-2922 or email: ftkarl@sbcglobal.net.

See you on Monday July 23rd!

Golf Outing – Draw-Down Raffle Deadline

Our next Council meeting is on Monday July 9th. Please bring money and sold tickets to the Council meeting. The winning results will be drawn at the Council golf outing on Monday July 23rd. If you are not able to make the July 9th Council meeting, please make arrangements to turn in the money and sold tickets prior to the golf outing. Corbella Clinic is depending on our Council to provide half the cost of their pending upgraded Ultrasound machine purchase. The original goal with this raffle was to collect \$25,000, donate \$15,000 to Corbella, \$10,000 to prize winners.

As of July 1st, we have collected 368 sold tickets for \$9,200.00 + we have received \$750.00 in donations for a total of \$10,150.00. Approximately 800 unsold tickets are still in circulation. The math says we are currently at 37% of goal with little time remaining. Please reach out to your family, friends, co-workers to get these raffle tickets sold. This 4th of July week should be an ideal time to get this done.

If you need to make arrangements to turn in money and sold tickets, please contact:

Membership Report

Independence Day is a wonderful day to reflect on why we love the United States of America. Our ancestors played a huge role in setting the direction for our future. As Knights, we also believe in America so much that the 4th Principal of the Knights is PATRIOTISM. Very simply put if you believe in the land of the free and the brave as well as the red, white, and blue, then you should immediately be drawn to becoming a 4th Degree Knight if you are not already. Some of you may think this will require more of your time, and you are correct! The 4th Principal is the visible link of being a Knight. If you do not go out and let yourself be seen, then you will not be visible. If you are not visible, you cannot proclaim the good works of our faith. Celebrate the 4th of July and be proud of your country.

July also brings the beginning of another Fraternal Year, 2018/2019. What is in store for Membership this Fraternal Year? At our business meeting on Monday, July 9, that is the question I will be asking of you. We have two other Principals of being a Knight that weighs heavily on my mind. Those are Principal #2 (UNITY) and Principal #3(FRATERNITY). In UNITY, have you stopped to think of what a force our Council would be if we stepped forward with 350 members when we are invited to the Wine Exchange for a FREE Wine Tasting? What if 350 members hit the Golf Course at the Elgin Country Club on Monday, July 23? Would they have room for all of us? How much money could we collect if all 350 members purchased a raffle ticket that will help an unwed Mother while she is making life-changing decisions? Would you like for Corbella Clinic to be there for your daughter if she were the one to walk through their doors? In Fraternity, do we care what happens to our Brother Knights and their families? Will one Knight out of 350 members be there to listen to a Brother Knight who is in distress or simply wants to talk about his promotion at work or perhaps the birth of his child?

Yes, the beginning of this Fraternal Year has me wondering what our Council will decide we want to do regarding Membership. Will we consider our (4) Principals of CHARITY, UNITY, FRATERNITY, and PATRIOTISM? If we do consider these Principals, what strategy will that lead us to? Is it a motivator? Do you receive inspiration by reflecting about all the good that can happen with 350 active members? I hear people all the time saying they would like to make a difference with their life. Really?

I will be at our July 9 Council meeting ready to listen to what direction you feel we should take in regards to Membership. Will you be present? Just think if 350 members came to our Council meeting. In UNITY and FRATERNITY let's begin our 2018/2019 Fraternal Year!

Blessings to all of you.

Celebrating 50 Years of Unity and Empowerment

The spark that became today's Special Olympics movement was ignited at the first 1968 International Summer Games in Chicago, Il., USA.

Five decades later, we are returning to Chicago to launch the year-long global Special Olympics 50th Anniversary celebrations this July.

Join us as we play together, learn from each other, and chart an inspiring course for the future!

Special Olympics International, Special Olympics Illinois and Special Children's Charities in Chicago are uniting to host nearly a week of exciting events to celebrate the first 50 years of Special Olympics and to launch the movement into the future.

Events planned for July 2018 in Chicago include the first-ever Special Olympics Unified Cup

Also planned is a star-studded Global Day of Inclusion, where the public can "Play Unified" and join in fun athletic competition with Special Olympics athletes. There will also be a Law Enforcement Torch Run Commemorative Run and the ceremonial lighting of the Special Olympics Eternal Flame of Hope, which will symbolize our burning passion for inclusion and justice for people with intellectual disabilities.

This is a time for all Illinois Knights to show their support for the Special Athletes, where we are most needed:

Friday July 20 - 8:00 AM till 8:00 PM Unified Football Cup Finals – Toyota Park – 7000 Harlem Ave. Bridgeview, to help fill the stands

Saturday July 21 - 1:00 PM till 7: PM Global Day of Inclusion – Solders Field, we will be in need of volunteers to help or you can just come and enjoy being with the Athletes.

The web-page <https://www.specialolympics.org/50th.aspx> has been set up where you can reserve free tickets for all the events, on the same site you may volunteer for as many events as you wish.

All 4th degree honor guards will be coordinated by VSM Paul Isherwood. Paul will be in contact with our members as soon as we have the final number of honor guards requested.

Any question please give me a call at 815-790-9737.

SAVE THE DATE...TOOTSIE ROLL TIME IS APPROACHING

- Sept 1 & 2** Kane County Flea Market
- Sept 14, 15, 16** Multiple locations St. Charles & South Elgin
- October 6 & 7** Kane County Flea Market

How can you help?

Get involved. Join the committee. Consider becoming a Captain to help manage a location for a day. Become a volunteer and bring your family, neighbors and friends as this is a family friendly event.

This is our Council event that requires the greatest level of volunteer resources!

In 2017, approximately 100 of over 150 volunteer spots were manned and many of our Knights did double shifts and more. Even with 66% volunteer spots manned, our Council was able to distribute over \$11,000 to local charities that support persons with intellectual disabilities.

Back in March, we invited the organizations to our Council meeting to distribute the proceeds. Each organization gave very moving descriptions of their organizations mission, the people they serve and how the proceeds enable them to continue their work.

Watch for more information or contact Gary Stopka (630-824-7285) gjstopka@yahoo.com or Greg Sengstock (630-770-5348) greg@sengstockarchitects.com.

Help make the 2018 IDF Tootsie Roll Drive even better.

It's Our Birthday!

We love to celebrate the gift of life at Corbella Clinic. We have fun celebrating birthdays with a cake, cards, flowers and with a special meal. So when it comes to marking Corbella's 30th anniversary or "birthday" - we couldn't do any less than gather our friends and wonderful partners for a festive celebration! Life is precious and each life saved, served and blessed by this ministry is a cause for rejoicing - so please join us on Thursday, September 13, 2018 to do just that! An exciting announcement will be made! We hope to see you at the Q Center (6pm Social Hour, 7pm Dinner & Program). Invitations will go out late July, but tickets may be purchased or general donations made at www.corbellaclinic.org anytime.

Field Agent: *We Stand Strong On Ethical Ground*

Some people believe that ethics in business is a contradiction in terms. They think that in order to be profitable, a company and its leaders must abandon morality and embrace the dark, greedy side that they see so often in the news and in movies.

At the Knights of Columbus, we know this isn't true. A business can be both ethical and successful. We are.

As a Catholic organization, we understand the value and importance of our core beliefs and the original mission of Venerable Father Michael J. McGivney.

In fact, much of the strength and financial security we provide to members and their families can be attributed to our ethical, moral standards.

More than 96 percent of Knights who buy our life insurance keep it, year in and year out. The Order takes this commitment to our members very seriously. This means carefully planning when it comes time to invest. Our professional staff researches all transactions to ensure that they fall in line with Catholic values. If a transaction makes them uncomfortable, they don't make it.

"We exclude any company engaged in activity that conflicts with Catholic moral teaching: companies directly involved in abortion, contraception, human cloning, embryonic stem cell research, for-profit health care that pays for any of these, or pornography," said Supreme Knight Carl Anderson. "There are many companies in the pharmaceutical and communications industries that would undoubtedly provide excellent returns for us, but which are not in our portfolio because they engage in research and development or programming in ways that violate the sanctity or dignity of human life."

In the end, the Knights of Columbus investment strategy is motivated by morality, not money. Yet, each year we remain profitable, increase our assets and stay dedicated to this vision that will keep the Order financially sound for generations to come.

But don't just take our word for it. In 2014, 2015, 2016 and 2017, the Knights of Columbus was named a "World's Most Ethical Company" by the Ethisphere Institute – one of only two life insurance companies with that distinction.

"Faithful Catholics have choices when buying life insurance," said the Supreme Knight. "But they know that at the Knights of Columbus their policy is supplied by an insurer that shares their moral and ethical values and is guided in all of its investment and sales practices by those values."
